MAN TGS 19.440 MAN TGS 22.440 BB 4x2 Euro 2 Export

General characteristics

Brand	MAN
Model	TGS 19.440
Subcategory	Cab over engine
Year of construction	2025
Colour	Wit
Fuel	Diesel
Emission class	Euro 2

Properties

GVW	22.000kg

Technical specifications

Number of axes	2
Axis configuration	4x2
Transmission	Automatic
Assets	440hp

Description

MAN TGS 22.440 4x2 BB SA – Euro 2 – 440 HP – Tractor Unit Vehicle Data MAN TGS 22.440 4x2 BB SA Brand-new vehicle Tractor unit Euro 2 emission standard 440 HP (324 kW) 2,100 Nm torque 4x2 drive configuration Left-hand drive Wheelbase: 3,600 mm Gross Vehicle Weight (GVW): 20,000 kg Gross Combination Weight (GCW): 44,000 kg MAN TN long cab Standard roof Pure White (RAL 9010) Engine & Transmission MAN D2676 LF04 6-cylinder diesel engine 12.4-litre displacement 440 HP (324 kW) 2,100 Nm maximum torque Euro 2 emission standard MAN TipMatic 12.28 OD automated transmission MAN TipMatic Efficiency driving program MAN TipMatic Manoeuvring program MAN Idle Speed Driving Reinforced LongLife clutch Rear axle ratio i = 4.00 Differential lock on the rear axle Engine-driven PTO for continuous operation Braking System Electronic Brake System (EBS) Off-Road ABS Full Brake Assist MAN EVBec high-performance engine brake Front disc brakes Rear drum brakes Spring parking brake Brake lining wear indicator Chassis & Suspension Heavy-duty BB leaf spring suspension Front axle capacity: 9,200 kg Rear planetary axle: 13,000 kg Reinforced suspension Shock absorbers front and rear Front and rear stabilisers Twin rear tyres Wheels & Tyres Front tyres: 315/80 R22.5 Rear tyres: 315/80 R22.5 Road & Off-Road tyres Steel wheels 9.00 x 22.5 Cab MAN TN long cab Standard roof Premium air-suspended driver's seat with lumbar support Co-driver's seat with storage box Multifunction steering wheel Professional 12.3" digital instrument cluster Manual air conditioning Cruise control 12 V and 24 V power sockets Central locking Tinted windows Manually adjustable exterior mirrors Exterior sun visor Electric interior roller blind Full cab curtain set Lower bunk with 70 mm mattress Numerous storage compartments Multimedia MAN MMT Starter High infotainment system MAN speaker system Tachograph Simulation Unit (TSU) FMS vehicle interface No navigation system Lighting H7 headlights H7 fog lights LED daytime running lights LED contour lights LED side marker lights Headlight stone protection Preparation for body lighting behind the cab Fifth Wheel JOST JSK 37 C 2" fifth-wheel coupling Automatic lubrication Fifth-wheel height: 185 mm 2" kingpin Electrical and pneumatic trailer connections 15-pin trailer socket ABS trailer connection Fuel Tank & Electrical System 400-litre steel fuel tank Lockable fuel cap Two maintenance-free 180 Ah batteries 28 V / 120 A alternator Mechanical battery master switch Highlights 440 HP MAN D26 engine Euro 2 MAN TipMatic automatic transmission MAN EVBec engine brake 44-ton GCW Heavy-duty leaf spring suspension Premium air-suspended driver's seat JOST 2" fifth-wheel coupling Engine-driven PTO Ideal for long-haul transport, construction and export markets

Accessories

- Onboard Computer
- ESP
- Heated Mirrors
- Leaf spring suspension
- Electrically operated windows
- EBS
